Early preliminary programme of the International Conference on Analytics Driven Solutions ICAS 2014 Ottawa		
The early preliminary programme for the conference is given below. The preliminary programme will be updated every two/three weeks as the review process progresses. It is important to note that travel arrangements should not be made based on the presentation slot shown in any preliminary programme. If you have a specific need to speak on a particular day, please email the Conference Manager, Sue Nugus, who will try to accommodate you.		
From late March 2014 the titles of abstracts selected for submission as full papers will be listed on the Abstracts Selected page. We hope that this will help you see how valuable the conference will be for you to attend.
