Engro Energy, IBA Karachi Ink MoU

EEL to grant scholarships to four IBA students, belonging to Tharparkar

June 25, 2018: IBA, Karachi and Engro Energy Limited (EEL), signed an MoU to support higher education of students from the district of Tharparkar. Under the agreement, EEL will provide scholarships for up to 4 NTHP students. Mr. Shamsuddin A. Shaikh, CEO, Engro Energy along with Dr. Mohammad Nishat, Acting Executive Director, IBA Karachi, signed the MoU.

Addressing the participants, Dr. Nishat said that since 2004, the IBA has been reaching out to the remote areas of Pakistan to attract the best talent through NTHP and through this initiative, the institute has helped hundreds of underprivileged yet deserving students to get admission into the IBA, which has helped transform their lives.

During the academic year of 2016-17, approximately 787 students at the IBA received financial assistance worth Rs. 231.5 million; all scholarships are provided on a need-cum-merit basis.

CICT – Syncing with technology

IBA-CICT becomes an academic strategic partner in InfoSec 2018 Conference

June 14, 2018: IBA-CICT and Total Communications Pakistan, signed an MoU regarding the IBA-CICT's participation as an academic strategic partner in InfoSec 2018. The MoU was signed by Mr. Imran Batada, Director ICT & CICT, IBA, Karachi and Mr. Faisal Rahim, CEO, Total Communications Pakistan.

InfoSec, an annual high profile conference of Pakistan in Information Security was initiated 10 years ago and for the first time, this year, the IBA-CICT is collaborating with Total Communications. The event will be held on July 12, 2018.

The IBA participates in higher education week, France

June 20, 2018: The Pakistan higher education week was held in France from June 18-24. Dr. Huma Baqai, Associate Dean, IBA, was invited to represent the institute and higher education system in Pakistan. Dr. Baqai spoke about existing and future collaborations of the IBA with the French institutions and also discussed strengths of Pakistan's higher education system. This event was co-organized by the Embassy of France in Pakistan, the Higher Education Commission of Pakistan and the Campus France.

MBA Executive Program

Ramzan social drive

June 10, 2018: The MBA Executive faculty, participants and program office team, under the supervision of Mr. Yaseen Meenai, Lecturer Mathematics conducted a Ramzan social drive for 60 contractual and low paid staff members. The team collected an impressive sum of Rs. 92,177/- for grocery packages. This thoughtful activity by the MBA Executive program aimed to give back to all those, who relentlessly serve the IBA throughout the year. Mr. Saleem Umer, Program Director MBA Executive, appreciated this philanthropic act.
