IBA CICT
Center for Information & Communication Technology
Institute of Business Administration

3rd batch of diploma in ERP commences

September 28, 2019: IBA-CICT started the 3rd batch of diploma in ERP at the City Campus.

The courses of Diploma in ERP include: ERP Essentials, ERP Financials - I (SAP ERP System), ERP Supply Chain - I (Oracle ERP System), ERP Financials - II (Oracle ERP System), ERP Supply Chain - II (SAP ERP System), Business Intelligence (BI) and Data Visualization.

This diploma will help participants to understand the various Enterprise System Modules and how they are applied in the business context.

5th batch of Capacity Building Project commences

September 16, 2019: Capacity Building in IT for Sindh Secretariat Employees through IBA Karachi has been initiated by the Information Science and Technology Department, Government of Sindh in collaboration with the IBA, Karachi. This project is a component of the overall capacity building of Sindh Secretariat employees to develop computer literacy in government employees. Under this project, 1,141 Sindh Secretariat employees from different departments will be trained at the City Campus.

Screening Committee Meeting of Sindh Research Incubation Center

September 5, 2019: The Screening Committee Meeting of Sindh Research Incubation Center (SRIC) was held at the City Campus. In the meeting, several start-ups were pitched and competed with each other to get enrolled into the SRIC project. Out of various applications received, only the shortlisted candidates were given the opportunity to present their ideas in front of the Screening Committee which includes: Director ICT and CICT, IBA Karachi Mr. Imran Batada; General Manager and Head of IT Audit HBL, Mr. Hussein Hassanali; and Deputy Director Finance Information Science and Technology Department, Sindh Government Mr. Farooq Tajik.

SRIC is a project by IBA-CICT in collaboration with Information, Science and Technology Department, Government of Sindh. The project aims at encouraging Sindh's youth who want to become entrepreneurs by offering them mentoring opportunities from industry professionals.

As per the project, IBA-CICT will facilitate the selected startups during the 12-month incubation period and aims to take these IT startups to the next level by providing them with co-working space, seed money, training, mentorship, diplomas, workshop and conferences etc.
